Article about John Farrell getting his first Classic Car Award!

By Nicole Farrell

Hello there Corvair enthusiasts.

I'd like to share a sweet experience my husband John had a couple of weeks ago.

As some of you know we have a Classic Car it is a 1963 Convertible Corvair.

We've had it for about 2 years now. We had a new engine put in last fall, no

problem with that. We enjoy taking ride around the area. We have gone to

numerous Car Shows having a great time. well, we've had a lot of problem with it lately, We drove it for awhile with no

problems. After 2 months of not being able to drive more than 3 to 5 miles. the car would just refuse to keep on trucking. We

took it to Jeff at Chino Corvair, and he gave it a temporary fix, we just could not afford to go all the way. We appreciated what

he did and it was running again. Then here we go again sputter and pop. Our Corvair started acting up again John and I were

even thinking of selling it.

We tried one more time to get it fixed without breaking the bank. We called up one of our Inland Empire Corvair member Darrin Graham to see if he could look at it. Darrin agreed after he took care of some of his commitments. He came to our home and spent a lot of hours working on our car, After a few more visits and long hours, The car is now on it's best behavior and it is now working. Thank you Darrin, you are the man!

A few days later, Darrin asked John if he wanted to go to a Car Show on a Friday night this month. Sure he said " Nicole is working at Boston Billie doing Karaoke on that night" That's cool, let's do it. He had planned on meeting Darrin at a Target off the 60. John drove to the location and found out there was no Car Show at this location. So he called up Darrin and come to find out John went to the wrong Target. It was at another Target farther down the 60 at the Target off Redlands Blvd. at the Big Boy Restaurant. Darrin informed John that he was running a little late and that he'd meet him at the Car Show . Ok, John drove there, he looks around and could not find the Car Show again, so he asked one of the Security guard on duty " where is the car show? The Guard informed John that the show had been canceled, Oh no, John is getting a little irritated by that time, I don't blame him I would feel the same way, wouldn't you. John was about to drive back home when Darrin pulled up saying so "sorry John I had to work late" he then found out about the Cancellation.. Of course they were disappointed, John was done!

Darrin said let me check on my cell to see where else there might be a car show, John said naw I don't think so, Darrin quickly found one in San Bernardino. John said I just want to go home really, I've been driving a long time now and I am tired. Darrin said " come on, it'll be fun". ok ok.. They drove to San Bernardino AT BRAVO BURGER 1911 W. Redlands Blvd S Bernardino.

Great there was a Car Show finally They were a lot of gorgeous pristine Classic cars..They had a wonderful time, talked with everyone. John was a happy camper. Upon leaving they thanked the organizers at the booth and a lady said.. oh wait wait someone wants to talk to you, . John was thinking .. what did I do... well, one of the representative, organizer came up to John 's car and presenting him THE AWARD AS BEST IN CLASS... YES this is his very first ever. It paid off to Just Showing up. We got our PLAQUE- WE'RE BACK

CWLA Funcours

Saturday October 6, 2012

Nethercutt Museum
5151 Bledsoe Street Sylmar, CA 91342
8AM-3PM

CWLA is having a Funcours instead of our annual Concours d'Elegance this year. It's like a Concours but less formally judged and more "fun". All Corvairs and Corvair-powered vehicles welcome - from work in progress to Concours quality.

It will be held on the first **SATURDAY** in October (not our normal Sunday!) at The Nethercutt Museum 15151 Bledsoe Street Sylmar, CA 91342 (not our normal place!). 8AM-3PM.

Check in before 9:30AM and, while your car is judged by CWLA, join everyone (Limited to 50 people over 10 yrs old) for the 10:00AM 2-hour guided tour of the formal Nethercutt Collection in San Sylmar. Then head back outside for a pot-luck lunch with friends (please bring chairs, pop-ups for shade, and something to share in the pot luck). The separate Nethercutt museum is open all day in case you need to max out on cars other than our Corvairs. A bit after lunch we will announce trophy winners in each category. Some categories may surprise you and are subject to change depending on attendance.

Raffle/door prizes, 50/50

\$15 on-site-only show entry fee (no pre-registration!)
